1. This office action is in response to the communication filed on 02/28/2006.

2. Claims 1-9, 11-19, 21-26, and 28-29 now as 1-26 are allowable over the prior art of record.

**The following is an Examiner's Statement of
Reasons for Allowance:**

After careful consideration of Applicant's Remarks filed on 02/28/06, the Arguments [pages 5-21] are deemed to be persuasive. The prior arts of records do not teach nor suggest a method or system having the limitations of claims 1, 13, 24, and 28 in particular:

- responding to a decline in the performance of said storage device based on said analyzed intercepted communications by automatically reallocating at least some data on said storage device to enhance continued operation of the storage device [claim 1].

- program code for responding to a decline in the performance of said storage device by backing up at least some data on said storage device prior to said predicted failure of said storage device to enhance continued operation of said storage device [claim 13].

- intercepted communications with said storage device and means for enhancing the performance of said storage device by reallocating at least some data on the storage device [claim 24].

- analyzing said intercepted communications and reallocating at least some of said data on said storage device to enhance the performance of said storage device based on said analyzed communications [claim 28].

3. Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably **accompany** the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Dieu-Minh Le whose telephone number is (571) 272-3660. The examiner can normally be reached on Monday - Thursday from 8:30 AM to 6:00 PM.
